Ingrid-

I wanted to let you know that both of my district court cases in Northampton scheduled for June 15, 2010 have been resolved so I will be available for the [REDACTED] trial also scheduled that day if needed. Thanks again for keeping me informed.

Hi Sonja;

Thanks for letting me know of the conflicts. I'll just keep the cases on the scheduled dates and see what happens. With regards to [REDACTED] is indeed a co-Defendant and the residue in the spoon is also part of the same case.

Thanks much,

Ingrid

Subject: received summonses

I just wanted to let you know that I did receive a couple of summonses from you last Friday (4/30/10):

1. Commonwealth v. [REDACTED] scheduled for June 15, 2010 — I already have 2 district court cases scheduled in Northampton that day.
2. Commonwealth v. [REDACTED] scheduled for June 23, 2010 — I already have a district court case scheduled in Pittsfield that day. Also, I wanted to verify the drug lab number: The summons I have listed the lab number as [REDACTED], but when I looked up the submission information I noticed that the defendant listed was Amber Metcalf — are they co-defendants? Second, I noticed that there was another submission listed as part of the same case ([REDACTED] — residue on two spoons). Is it?

Sorry about the trial conflicts — I know that it is still early and that things change constantly, but I wanted to let you know as early as possible (and I will keep you updated if I hear that anything changes). Thanks.

-Sonja
